Countermeasures

YOUR NEIGHBOR

HELPS
KILL 500
ANIMALS
A DAY

Your neighbor invests in Huntingdon Life Sciences, a notorious animal testing lab that was exposed on national television for punching four month old puppies in the face, dissecting live monkeys, and violating animal welfare laws over 600 times. Your neighbor represents one of only three companies in the entire country that still invest in HLS despite. Please tell your neighbor to STOP investing in animal abuse and STOP investing in Huntingdon Life Sciences (stock symbol LSRI.ob)
